OVER 45 YEARS STRONG!!!

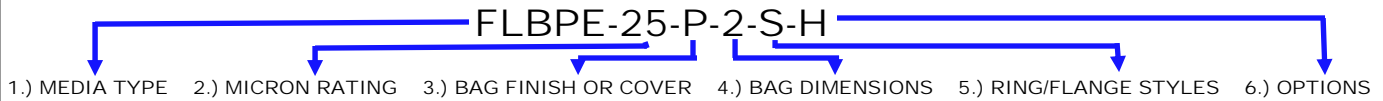

FLB SERIES - LIQUID BAG FILTERS

- Filtech liquid filter bags are [manufactured in the USA](#), made with the highest grade material to offer you quality and efficiency in each bag
- [All standard sizes](#) are available with [7 different top rings](#) to offer you the proper filter bag needed to [adapt with your existing housings](#)
- Ratings from [1 to 1500 micron](#) and [8 different medias](#) suitable to your application
- Bag [handles are standard](#) on Filtech bags at no additional cost
- [Custom bags](#), sleeves or panels can be produced to your specifications, offering you complete control of the filtration process
- All Filtech felt bags come [standard singed or glazed](#) to [prevent fiber migration downstream](#), at no additional cost; plain bags are available upon request
- [Multi-Layered](#) filter bags are available
- Filtech offers a full line of [heavy duty](#) liquid bag filter housings and baskets

HOW TO ORDER FILTECH LIQUID BAGS

BUILDING A PART NUMBER

1.) MEDIA TYPE		2.) MICRON RATING	
FLBPE - Polyester Felt		1, 3, 5, 10, 25, 50, 75, 100, 200	
FLBPO - Polypropylene Felt		1, 3, 5, 10, 25, 50, 75, 100, 200	
FLBPMO - Polypropylene Monofilament Mesh		100, 150, 200, 250, 300, 400, 600, 800	
FLBPME - Polyester Multifilament Mesh		100, 150, 200, 250, 300, 400, 600, 800, 1500	
FLBHT - Nomex Felt		1, 5, 10, 25, 50, 75, 100, 200	
FLBNMO - Nylon Monofilament Mesh		1, 5, 10, 25, 35, 45, 50, 75, 100, 125, 150, 175, 200, 250, 300, 400, 600, 800, 1000	
FLBBP - Big Blue, Polypropylene Felt		1, 5, 10, 25, 50, 100, 200	
FLBNMU - Nylon Multifilament Mesh		100, 150, 200, 250, 300, 400, 600, 800, 1500	
3.) BAG FINISH OR COVER		4.) BAG DIMENSIONS	
P = Standard		1 = 7-1/16" dia x 16-1/2" L	C1 = 7.31" dia x 16.5" L
G = Glazed/Singed Finish		2 = 7-1/16" dia x 32" L	C2 = 7.31" dia x 31" L
C = Cerex Cover (Spun-bonded nylon)		3 = 4-1/8" dia x 8" L	RP1 = 8.0" dia x 30" L
OR = Oil Removal		4 = 4-1/8" dia x 14" L	RP2 = 8.0" dia x 40" L
		5 = 4-1/8" dia x 24" L	PC1 = 9.0" dia x 20" L
		7 = 5-5/8" dia x 15" L	PC2 = 9.0" dia x 30" L
		8 = 5-5/8" dia x 21" L	X1 = 4.35" dia x 8.0" L
		9 = 5-5/8" dia x 32" L	X2 = 4.35" dia x 14.0" L
		11 = 5-5/8" dia x 16-1/2" L	XO1 = 6.0" dia x 22.0" L
		12 = 8-3/8" dia x 32" L	410 = 4.6" dia x 8.0" L
		99 = Special Size	420 = 4.6" dia x 18.0" L
5.) RING/FLANGE STYLES			
S = Carbon Steel	P = P Flange		
SS = Stainless Steel	F = F Flange		
PP = Polypropylene	OSS = OSS Flange		
DS = Drawstring	NR = No Ring		
6.) OPTIONS			
H = Handle (Standard on all ring style bags)		TTA = Turn, Topstitch, Auto Seam - Inside seam for heavy duty use	
NH = No Handles		RC = Reverse Collar	
EB = Edge Binding - Protective felt strip over the stitching		PLN = Plain Finish	
A = Auto Seams -- Seams on the inside of the bag		MC = Mesh Cover	
WE = Welded Seam Construction		SPL = Special Callout (Put special size dimensions after)
